Late Filing Penalties
By email: enquiries@companieshouse.gov.uk

31 October 2026

Dear Sir or Madam,

Appeal against late filing penalty

Company: SAMPLE TRADING LTD (company number 12345678)
Penalty reference: A1234567
Accounts made up to: 31 December 2025
Penalty notice dated: 5 October 2026
Penalty amount: £375.00

I would like to appeal against the late filing penalty. The company was unable to file its accounts on time because of an unforeseen event at a critical time. The facts are as follows.

A fire at our office on 2 September 2026 destroyed the paper records our accountant needed to finish the accounts.

The problem lasted from 2 September 2026 to 20 September 2026. The company filed its accounts on 25 September 2026, as soon as it was able to. I can provide a police or insurance report if you need it.

Missing the filing deadline was not intentional. It happened because of the unforeseen event described above.

Thank you for considering this appeal. I look forward to a favourable decision.

Yours faithfully,

Jane Sample
